

Changes in sediment depositional environment from the western Bay of Bengal

CERTIFICATE

Dissertation submitted to Goa University in partial fulfilment of the requirement for the degree of

Masters of Science in
Marine Science
Goa University, Taligao
Plateau Goa-403206

BY

Shubham Arvind Pawar

Under the guidance of

Dr. Pratima Kessarkar
Principal Scientist

CSIR-National Institute of Oceanography, Dona Paula,
Goa

2019-11-05 to 2020-03-23

**Changes in sediment depositional environment
from the western Bay of Bengal**

CERTIFICATE

This is to certify that this Dissertation title **Changes in sediment depositional environment from the western Bay of Bengal** is an authentic record of the work by Shubham Arvind Pawar student of M.sc part II School of Earth, Ocean and Atmospheric Sciences during academic year 2019-2020, in partial fulfilment of the requirements for the degree of M.sc from the Goa University and to the best of my knowledge, it has not previously formed the basis for award of any degree or diploma in Goa University or elsewhere.

Dr. Pratima Kesarkar
Principal Scientist
Geological Oceanography Division
