Dr. Sunder Dhuri,
Department of Chemistry, Goa University,
Goa University P.O., Taleigao Plateau,
Taleigao Goa 403 206, INDIA
Telephone No: +91-832-6519318

Dear Dr. Dhuri,

It gives me a great pleasure to invite you to Korea and Ewha Womans University for collaboration and scientific exchange for two months, from May to June in 2017.

All the equipment necessary for synthesis, characterization and to study reactivity of the compounds will be at your disposal. The equipment facilities available at CBS are ESI-Mass, UV-Vis spectrophotometers equipped with optostat, stopped flow spectrophotometer, LC-MS, GC-MS, ¹H-NMR, IR, CHNS, voltammetric techniques, single crystal X-ray diffractometer, ESR, glove box etc. You will be also working with my collaborators who have facilities like, Raman, XPS, Mössbauer etc. Necessary facilities to carry out experiments at cryostatic temperatures are also available.

We hope that you will accept this invitation and look forward to seeing you in Korea soon.

Warm regards,

Wonwoo Nam

Ewha Distinguished Professor,
Director of Center for Biomimetic Systems
