A report on 10th Annual One Day Symposium, Department of Chemistry

The 10th Annual One Day on the theme, "FASCINATING WORLD OF CHEMICAL SCIENCES" for T. Y. B.Sc. (chemistry) was organized by the Department of Chemistry in association with the "Chemistry Department Faculty and Alumni Association", (CDFAA), Goa University on 5th March 2016 in Chemistry Department, Goa university. The objective of the symposium was to bring the research culture into to the minds of under graduate students of Chemistry. In this symposium we organized an intercollegiate competition based on the scientific projects done by T. Y. B.Sc. Chemistry students in their respective colleges. The event comprises of oral (one per college) and poster (two per college) presentations in any branches of chemistry and the best three in both the categories are awarded prizes. The 10th Annual symposium was inaugurated by Mr. Shanu Pai Panandiker, Chairman & Managing Director, Marpol Pvt. Ltd., Margao-Goa. Prof. BR Srinivasan and Prof. A. V. Salker shared their remarks on behalf of Department and CDFAA respectively. Convener of the Symposium proposed the vote thanks for the inaugural. The first session had oral presentations from 7 participants from the colleges while afternoon session had 11 poster presentations of the BSc students on their projects. Both oral and poster presentations were evaluated by the external experts and certificates were given to the participants. The symposium concluded with valedictory function.
