Dear All,

We are very happy to inform you that we have arranged for an interactive session on 29th May 2019 at 3.45 pm of MCA, M.Tech, M.Phil, Ph.D Alumni and the current Ph.D Students with **Prof. Vasudeva Varma who is currently the Dean (Research and Development) at IIIT Hyderabad**. We are proud that he is a Alumni of our department.

His research Interests are in the areas of social media analysis, cross language information access, summarization and semantic search. He also works in the areas of Cloud Computing and Reuse in Software Engineering.

He is the CEO of IIIT Hyderabad Foundation, which runs one of the largest technology incubators in India. The Foundation manages IIIT-H's IP and technology transfers.

Prof. Vasudeva Varma has also co-founded SETU Software Systems Pvt Ltd. SETU's product, Veooz, is Social signal based content discovery platform with social media search and analysis capabilities www.veooz.com

This interactive session will be held in the **MCA Seminar Hall in our department office block, opposite Center for Latin American Studies (CLAS)**, Goa University. He has kindly agreed to share his Research experiences and briefly discuss about the current research trends. Kindly confirm your presence by replying to this email, to help us make the necessary arrangements.

You are requested to inform all the Alumni in Goa from your batch.

and Best Regards,

Jyoti
